

# My Day at the Zoo

A Social Narrative

Photos by Amiee Stubbs

I am going to the zoo! At the zoo, there are many animals to see and activities to do.

Some places at the zoo might be loud or have a strong smell. Here you can find an area that might be less crowded and quieter.

Sometimes loud noises or fast movements can startle animals. I will try to stay calm and quiet when I am around the animals.

I will try to walk on the Zoo pathways only.  
Walking on the paths will keep me safe.

When I see animals, I might talk to my family about them. I might want to take pictures of them.

I might see zoo docents wearing a green shirt with the zoo logo on it. I can ask docents questions I might have, or talk to them about the animals.

Sometimes there might be a lot of people waiting to see an animal. I can wait my turn to see the animals.

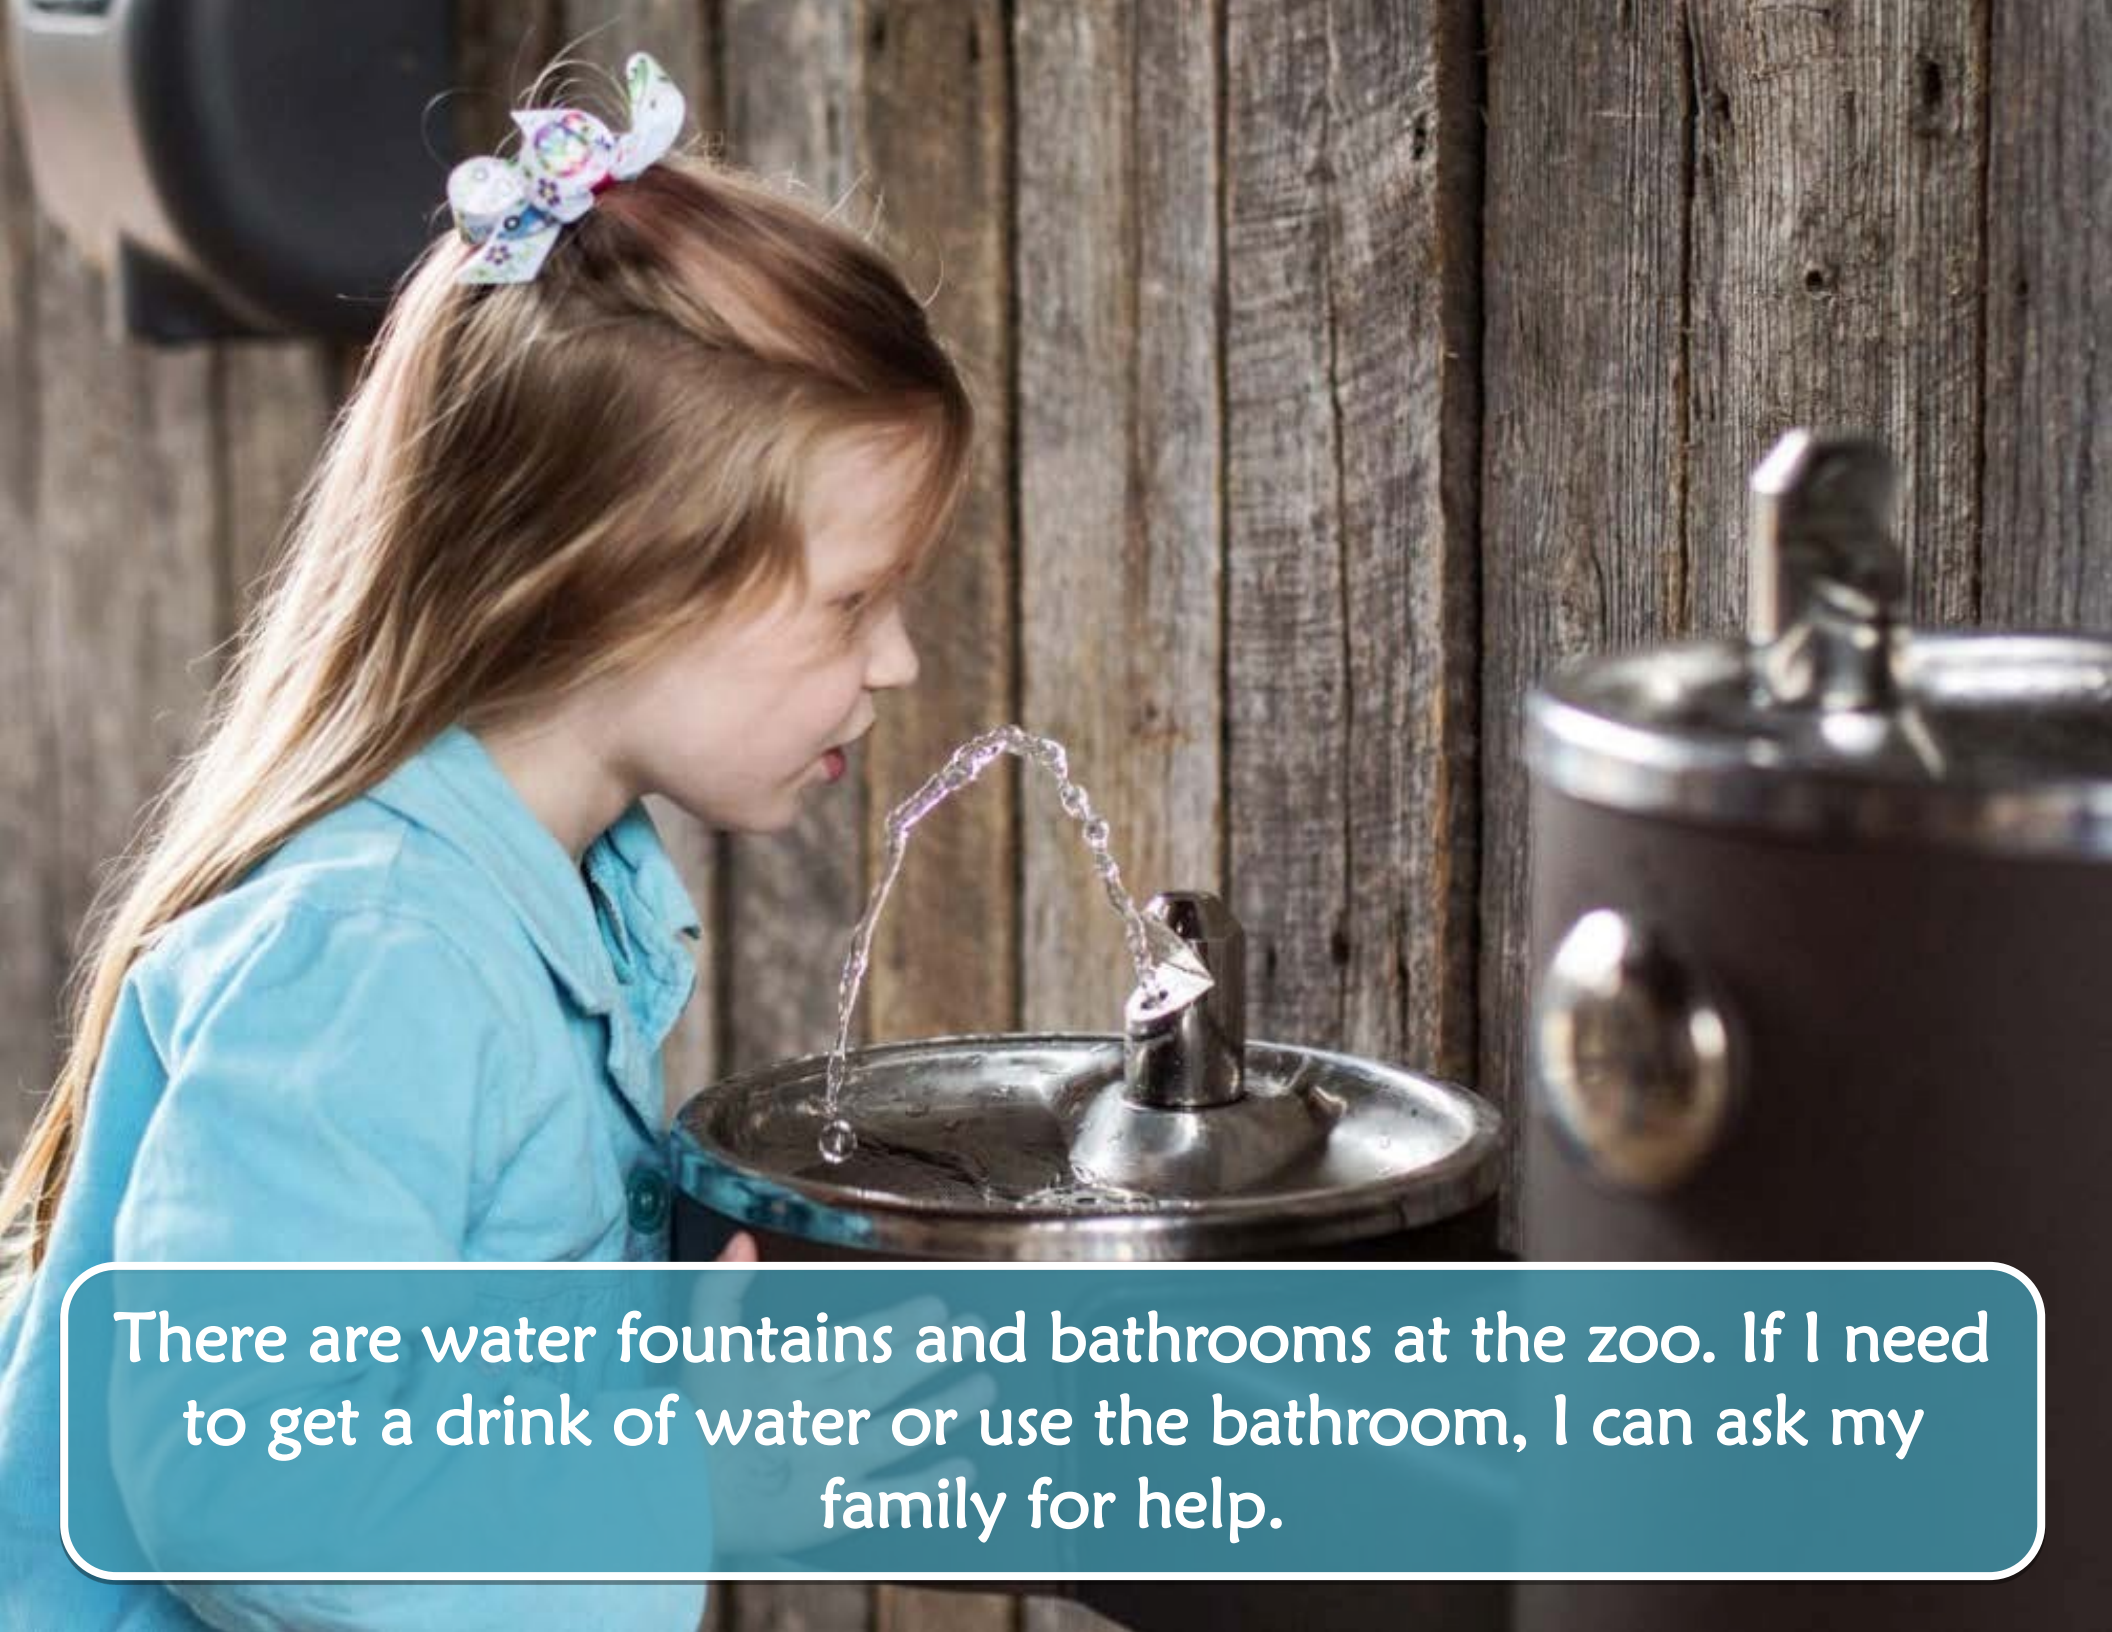

At the zoo, I might eat lunch. I might buy food from the café,  
or I might bring food from home.

At the Zoo, I might play on the Promise Park Playground and Jungle Gym. There might be other kids playing also.

There are water fountains and bathrooms at the zoo. If I need to get a drink of water or use the bathroom, I can ask my family for help.

Some places at the zoo might be loud. If it is too loud for me,  
I can ask my family to take me to a quiet space.

Some animals at the zoo might have a strong smell. That is okay!

Some animals might not be on exhibit when I am at the zoo.  
That is okay! I might go see another animal.

When it is time to go home, I will try to bring back everything I brought to the zoo. I might like going to the zoo!
